

Kits for the Rocky Horror Picture Show—What's in it, what is allowed and what isn't?

We're thrilled to feature the cult-classic, Rocky Horror Picture Show. Showtime is 7pm, and doors open at 6:30pm for fans to find their seats and get settled.

The Rocky Horror Picture Show is renowned for its audience participation roles at different times and scenes during the film. While we want to have fun, we also want to make sure our sweet little theatre isn't totally trashed or burned down – hence, no open flames are ever allowed inside Vinegar Hill. We highly encourage costumes and dress up and are thrilled to offer appropriate props available for purchase to enhance your experience and bring the show to life!
