

Outdoor Concerts & Drive-In Movies Helpful Tips and Information

We're thrilled to offer outdoor concerts and drive-in movies this season, made possible by our generous sponsors, Kennebunk Savings Bank.

Seating and Logistics

Guests are welcome to bring personal lawn chairs into the venue. To ensure clear sight lines for all guests, only low "beach style" lawn chairs with a seat no higher than 9" off the ground are permitted. Chairs must be placed behind the designated line. Security reserves the right to redirect chair and blanket placement for the comfort and safety of patrons.

Outdoor concerts take place on our stage, with the first parking bay blocked off for seating/standing. We do have some outdoor seating that is first come, first served.

When attending drive-in movies, you are welcome to sit in your car or bring your own chairs or blankets to sit closer to the screen. Audio is broadcasted on FM radio for all outdoor performances, plus we have a full sound system for those that want to sit outside of their vehicles.
